Rod - I dropped my phone a little while ago and phone/voicemail has been out of commission all day. I'm back up and running again though.

The bond notice is from a second tier sub - a sub to Wesco who is installing the TTS equipment. The notice is just that the bond period has started. I've asked our subcontracts staff to let our subs know that this information should be passed directly to us and not to USACE or EPA.

No action is required by USACE or EPA.
